Thanks – I was gonna ask about Nonresponsive based on revised scope too. Do you think we can add Nonresponsive based on revised scope to that meeting??

Karen asked me to set up a meeting to discuss the situation with CRW and DOJ's pace of getting comments back on the modified partial CD.

I'll try to set something up, but I don't have much of any free time this week and I know its time sensitive so hopefully we'll be able to find some time.
